

Rocky

February 15, 2025

Rocky loved car rides, nature, chicken nuggets from McDonald's, and pup cups. We had him almost 11 yrs, he was a best friend to many people, he knew when someone needed a friend and somehow knew the best way to offer his comfort💕 many laughs were shared with his family and he had a comedic personality always making all kinds of noises and doing such silly things☺. He has so many missing him, but we made sure to know he was loved so dearly! Run free Rocky, aka "fat boii" and "Waka baby"
