July 11, 2025

Wicked Rains was born March 3, 2019. From the first time we saw wicked we knew, he was destined to bring immense joy and love into our lives as our fur baby. His affectionate nature touched everyone he met, and his love for life was truly inspiring. He loved to bask in the comfort of those around him, and the mere presence of food would instantly transform him into a loyal companion, eagerly awaiting a tasty reward. His devotion to his dad was unwavering, and he would obediently follow his every command, while playfully ignoring others. He was more than just a pet - he was a beloved member of our family! We will forever cherish the memories we shared with Wicked. Wicked is survived by his parents Josh and Chasity. Sister Raeleigh, brother Chevy, his son Evil, and daughter Clairece. Numerous aunts, uncles, and cousins. He is preceded in death by his wife Channel.
